

WHO ARE WE?
or
Mae Govannen
from
Tolkienstammtisch Tirol
(Tolkien Smial Tyrol)

The Tyrolian Tolkien Smial is not linked to any Tolkien Society. We decided to represent only Tyrolian fans in Austria, so far, but we are most interested in finding and keeping contact to any other part of the international Tolkien Fellowship.

The foundation of our Smial took place at “Café Central” in Innsbruck at May 7th 2008 with five first members. We still use this location for our “merry meetings” and celebrated our “One Year Anniversary” at May 6th this year. We grew to 11 fellows so far and announced one honour-fellow already.

As our members have various interests according to Tolkien (literature, film, clothing, larp, games, music ...) we never run low in themes to discuss. We love to participate in Tolkien linked events like RingCon, DTG-Thing, Lasse Lanta, Oxonmoot... and concerts and such, of course. Some of us love to travel and visited England, New Zealand, Denmark (for the Tolkien Ensemble concert) already.

We created our own logo (already available on T-Shirt, silver stitched on blue):

And we have our own website!

Unfortunately only in German, so far.

Nevertheless – we invite you to have a look at it (pictures speak without words ☺) !

Feel free to contact us!

Kindest Regards!
